Federal Funding Product Recommendations

In 2020, the federal government approved funds to be dispersed to schools as a response to the impact of COVID-19 on education. These funds are intended to be used on COVID response products (e.g. PPE) and to mitigate learning loss.

The products outlined below can be purchased using federal funds.

*My STEM Supplies Packs are the ideal solution to teach STEM during in-person, hybrid, and distance learning. Each pack provides a safe and effective way to equip students with their own supplies. A backpack is included for storage, transportation between school and home, and helps reduce supply sharing.
